LB 1128

course of the last two days.

PRESIDENT: Senator Beyer.

SENATOR BEYER: Mr. Speaker and colleagues, this has been one issue that I have felt has been real important this year. I thank Senator Newell for offering the reconsideration motion. We have...over yesterday and today on the veto overrides we have spent an awful lot of money on buildings, brick and mortar, as Senator Johnson said, but not considering the human element. These people have put in a lot of time. Every time we have something here at the Capitol that is going to be controversial, i.e. the Christian school bills, the impeachment proceedings, we have asked for extra law enforcement to be here and they have been here. A lot of it is at a sacrifice of their extra time on some of them. So with that I would urge your reconsideration of this motion. Thank you.

PRESIDENT: Anything further, Senator Newell? If not, the motion...Senator Newell. Anything...the motion is to reconsider the action of yesterday on the State Patrol funds. Thirty votes required. All those in favor vote aye, opposed vote no. Thirty seconds to record your vote. Please record your vote on the Newell motion which is to reconsider. Fifteen seconds. Have you all voted? The Clerk will record.

CLERK: 13 ayes, 19 nays, Mr. President, on the motion to reconsider.

PRESIDENT: The motion fails.

CLERK: Mr. President, that concludes all my override motions.

PRESIDENT: Do you have anything for the Journal?

CLERK: I have a motion, however, Mr. President, that has been filed by Senator Warner. Senator Warner would move to suspend Rule 6, Section 11, so as to direct the Clerk to deliver LB 1128 and 1129 to the Secretary of State.
